LIVESTOCK SHOW AND SALE
GENERAL RULES AND REGULATIONS**

Effective April 1, 2022 through March 31, 2023

In case of a local, state, or national emergency, the Board of Directors reserve the right to adjust rules and policies as they deem necessary.

Any real, digital, physical and/or intellectual property of the Walter Gerlach Livestock Show and Sale, Inc. and/or it's Board of Directors, belong to the Walter Gerlach Livestock Show and Sale, Inc. Utilization and disbursement of any of these properties without express written consent from the Executive Board of the Walter Gerlach Livestock Show and Sale, Inc. is strictly prohibited.

RULE 1 EXHIBITOR RESPONSIBILITY

It is the responsibility of each exhibitor, parent, guardian, or official adult sponsor to familiarize themselves with all general rules and regulations of the livestock show. Pets are not allowed on the WGLS grounds.

RULE 2 RULE INTERPRETATION

The Executive Board, General and Assistant Show Superintendents, and Divisional Show Superintendents have final and absolute right to interpret these rules and regulations and to arbitrarily settle all matters, questions, and differences regarding the show rules as issues arise. They also have final and absolute right to amend or add to these rules as their judgment may determine necessary. If an exhibitor is found in violation of any of the livestock show rules, the exhibitor and the exhibitor's family may forever be barred from participating in the Walter Gerlach Livestock Show.

RULE 3 ENTRIES

All applications for entries must be made on the official "Year 2023 Entry Form" obtained from the Gerlach Records Committee. Each Entry Form must include a valid and current email address, phone number, and mailing address. All correspondence (including mail) from WGLS will use the information provided on entry forms. If a change occurs after turning in the entry forms, the change must be provided to the WGLS Records Committee. Entry forms must be completed and signed by the exhibitor, parent or guardian, and the exhibitor's vocational agriculture teacher or 4H leader. A separate entry must be completed for each animal project, pen, or Ag mechanic project. Exhibitors must enter under one, but not both, of the invited FFA or 4H organizations; exception Ag Mechanics. All completed Entry Forms and Entry Fees must be returned to the Records Committee on or before the date specified by the Board of Directors. This year the deadline is November 3, 2022. Agriculture teachers and 4H leaders must turn in summary sheets with names of all exhibitors under their jurisdiction to the Records Committee. Any exhibitor name(s) not included on summary sheets will not be allowed to show. Additionally, all Entry Forms must include the exhibitor or the exhibitor's parent/guardian social security number to make the entry valid. Any entry received after the deadline is considered late. Late entries will be charged a late fee of \$100 cash or cashier check added to the normal entry fee. Late entries will be accepted up until animal weigh in time or check in time of the show. The Entry Fee for each animal entry (steer, pig, lamb, goat, turkey) or animal pen entry (broilers, rabbits), or Ag mechanics project is \$30. A fully completed and signed W9 Form must be completed with each entry. No refund of entries will be allowed after entry deadline.

RULE 4 SALE MONIES

A commission of 7% per sale lot will be charged to defray the cost of expenses of the show and sale. Additionally, the 7% commission will be charged on all floored animals, pledges, and add-ons including pledges for ag mechanics projects. Rigorous attempts will be made to collect all monies promised by buyers at the auction. In the event adequate monies are not received within 60 days after the auction, the Board of Directors will determine appropriate action to be taken for the equitable disbursement of funds. If an exhibitor's relative participates in buying animal lots in the auction, the exhibitor will not be paid until all pledged money is received from the buyer. If the relative fails to fulfill his/her full financial responsibility by April 1, 2023, the exhibitor will be ineligible to show the following year and each year until the obligation is fulfilled. **Note: If a bid is placed by any buyer and the money is not collected from the buyer, the exhibitor will not receive this money in his/her auction check.**

RULE 5 ANIMAL UNIT

An exhibitor may show no more than three (3) animal units during the WGLS and may show no more than two (2) animal units per division. Example: An exhibitor may show 2 pigs and 1 steer but not 3 pigs. An animal unit is defined as any auctionable animal or pen. An exhibitor may sell only one animal unit at the auction. Exception: All Grand and Reserve Grand Champions must be sold at the auction. If an exhibitor places more than one (1) Grand or Reserve Grand Champion, the exhibitor must sell all animals that receive these honors. An animal unit consists of:

Steer	1
Swine	1
Turkey	1
Broilers (Chickens) Pen of 3	1
Rabbits Pen of 3	1
Lamb	1
Goat	1

RULE 6 AUCTION

All placing animals will receive a ribbon and are eligible to be sold in the auction. The percentage of animals placed are determined by the Board of Directors. Percentages may differ between divisions.

Turkeys – at least 75% of the division

Steers – at least 75% of the division

Rabbits – a maximum of 30 pens

Commercial Show for Lambs, Goats, and Swine – at least 75% of the division

Open Show for Lambs, Goats, and Swine – at least 35% of the division

SEE AUCTION GUIDELINES AT THE END OF THESE RULES FOR MORE INFORMATION

RULE 7 SIFT

The exhibitor must declare the breed of the animal before entering the show. Animals will be classified and sifted by a classifying and sifting judge approved by the Board of Directors. Classification will not be changed after the classifying judge makes his/her decision. Animals are sifted based on weight, parasites (lice, ringworms, active staph infection) and external physical defects as determined by the sifting judge. All animals must be of show quality. Sifted animals must be removed from the show grounds within one (1) hour after the completion of the sift. All sifted animals must be checked out and released by the division superintendent. Sifted animals constitute an entry and may not be replaced by another animal.

RULE 8 WEIGH-IN

All entries will be weighed, tagged, and/or marked where applicable at a location designated by the Division Superintendent. Lost tags must be replaced by an Ag Teacher, County Extension Agent, or Division Superintendent and the replacement of new tags must be reported to the Records Committee. The exhibitor or designee must be present with the animal at weigh-in and must present documentation including exhibitor's name and breed of animal. If the animal does not meet the weight requirements or if the exhibitor, parent, Ag teacher, or 4H leader has a question regarding the weight of the animal, the animal will be removed from the scale, the scale will be reset, and the animal will be reweighed. The animal being reweighed may not leave the scale area. If an animal is sifted due to not meeting the weight requirements, the animal may not be reweighed at a later time. A five (5) pound tolerance on weight will be given to swine, lambs, and goats. No weight tolerance is allowed for rabbits. Animals are not allowed in the barn until they have been weighed. Likewise, no equipment or supplies (including shavings) are allowed in the barn until animals have been weighed, sifted, and pens have been assigned. Any animal weighed in or sifted for a given exhibitor constitutes an entry and may not be changed or replaced by another animal. The tag identified on the entry must match the validation tag on the animal. If the entry tag number and the animal validation number do not match, the entry is rejected, and the animal is sifted. Breeder tags must be removed prior to the show (Exception: Required Breeder Tags for Major Breeding Show participants)

RULE 9 FLOORING

Floored animals are those animals sent to market. Animals shown but are not eligible for the auction may be floored by the exhibitor or may be taken home by the exhibitor. If an exhibitor has multiple animals eligible for the auction, the exhibitor must choose only one (1) to sell in the auction. The exhibitor may floor the remaining animals or may take them home. All animals taken home by the exhibitor must be released through the Records Department and Division Superintendent.

AUCTION GUIDELINES FOR THE WALTER GERLACH LIVESTOCK SHOW

In an effort to speed up the auction for the WGLS, the following initiatives have been incorporated into the auction guidelines:

1. Only Grand Champion and Reserve Grand Champion animals will enter the ring. After Grand and Reserve Grands have been sold, only students will enter the sale ring for the remainder of the sale.
2. Due to safety and liability concerns, unruly animals will not be allowed to enter the auction ring for the "Auction of Champions".
3. Only buyers with bids of \$1000 or more will be named on Champion Boards. Buyers with bids of \$500 or more will be invited to appear in the sale ring for photo.
4. It is preferred that buyers pre-register online or by mail. Please make sure that all billing information is correct. Information provided to the WGLS on the Buyer Registration Card will be utilized for correspondence from WGLS and show exhibitors. Buyers that pre-register will have buyer packets available when they arrive. This will save them time in line.
5. Only bids or donations of \$100 or more will be announced during the auction. Bid sheets turned in after an animal is sold will not be accepted. After the sale, exhibitors will receive a listing of buyers that purchased their animal. The resale (floor) price of all animals, with exception of steers, will automatically be credited to the scholarship fund. A minimum amount of \$100 is required on bid sheets; smaller amounts can be donated as add-ons but not less than \$25.
6. This is a terminal sale and all livestock must go to slaughter or resale to slaughter. Floor buyers will not sell livestock on the Gerlach property.
- 7 If a buyer fails to pay their auction bill, students whose animals the buyer purchased will not receive that money in their checks.**
8. In keeping with the pace of other auctions (SALE), the minimum total purchase amount for a buyer is \$1000 by either bids or add-ons. If a buyer purchases less than \$1000, the buyer will be billed the balance. This only applies to buyers that enter the auction arena. Those buyers that choose to donate to the auction committee in lieu of attending the auction, will not be billed the \$1000 minimum.
9. Minors under 21 years of age are not permitted in the auction buyer's area unless accompanied by a parent/guardian or approved by the Show Superintendent or Assistant Show Superintendent. Exhibitors are not permitted in the buyer's area at any time. Consumption of alcohol by a minor is strictly prohibited at any time at the Steve Chumbley Agriculture Park.
